Case: 2022-112-33

1. On February 22, 2022 at approximately 12:00PM, Kristin Collins from the Norfolk County District Attorney's Office conducted an interview with (c). Present, behind a two way mirror during the interview was victim advocate Steven Nelson, ADA Adam Lally and myself, Trooper Michael Proctor. (c) and her brother, (c) have lived with John O'Keefe at his house on 1 Meadows Ave, Canton MA. The two have lived with their Uncle John for approximately eight years after both their parents passed away.

2. Karen and John had been dating for approximately two years and during that time Karen would stay at John's house several times a week. [REDACTED] first met Karen approximately one month after the two started dating. [REDACTED] stated when Karen stayed over she would either sleep in the guest room or in John's bedroom. During their relationship, [REDACTED] stated Karen and John would fight about random stuff, things people wouldn't normally argue over and it was mostly just yelling.

3. [REDACTED] recalled a family trip to Aruba where John and Karen got into an argument. Karen accused John of kissing someone else and the two argued for approximately twenty minutes in the hotel room with [REDACTED] and [REDACTED] present. A week prior to January 29, 2022, [REDACTED] stated she was sitting on the stairway inside the house while John and Karen were arguing. [REDACTED] stated she heard John tell Karen their relationship had run its course and that it isn't healthy. [REDACTED] stated Karen did not want it to end and refused to leave John's house. [REDACTED] stated two weeks prior to the incident, John and Karen were in an argument. John wanted Karen to leave his house and when she refused to leave, [REDACTED] stated John decided to leave. [REDACTED] stated the two argued a lot towards the end, approximately two to three times a week.

4. On Friday, January 28, 2022, [REDACTED] was home with John, his friend Michael Camerano and his daughter [REDACTED]. [REDACTED] stated Karen was at her home and planned on meeting John and Michael later on that night. [REDACTED] stated [REDACTED] and her, hung out at the house until approximately 11:00pm when [REDACTED] was picked up by her father. [REDACTED] stated she was home by herself at that point and went to bed. At approximately 4:30AM, Karen entered [REDACTED]'s bedroom screaming and acting frantic. Karen ran into John's bedroom to retrieve [REDACTED]'s cell phone. [REDACTED] stated it was a rule that when she went to bed she had to keep her cell phone in John's bedroom. [REDACTED] began calling John and texting him with no response. Karen then had [REDACTED] call Jen (Jennifer McCabe) and put Karen on the phone to speak with her. After speaking with Jen, Karen left the house and told [REDACTED] to call Michael Camerano and have him pick her up.

5. [REDACTED] stated that Karen changed her stories while speaking with Jen. When the two first spoke, Karen informed Jen that her and John got into an argument earlier in the night and she dropped him off. Prior to leaving, [REDACTED] could hear Karen and Jennifer talking over the speaker phone. [REDACTED] heard Jennifer inform Karen her and John got into an argument and she dropped him off. Karen responded saying that they did not get into an argument.

6. When Karen, Jennifer and Kerry returned on Saturday morning prior to finding John, Jennifer went inside and talked to [REDACTED]. Jennifer told [REDACTED] that her, Kerry and Karen were going to go look for John. [REDACTED] only spoke with Jennifer prior to them leaving that morning. [REDACTED] stated that when Michael picked her up they could not shut the garage door, Michael had to manually shut it. [REDACTED] stated Karen would park in the garage and had a control for the door.

7. Michael Camerano dropped [REDACTED] off at her house Saturday morning. [REDACTED] stated Karen texted her that morning asking if she could come over. [REDACTED] stated Karen arrived with her father, brother and sister and they stayed for thirty minutes.
